Sheryl Lazer

+91 9634031442 | sheryllazer@gmail.com | LinkedIn | Delhi, India

EDUCATION

Jesus and Mary College, University of Delhi **Nov 2020 – May 2023**
B.A. (Hons.) Economics | Minor: Mathematics **CGPA: 8.19/10**

- Secured **first position** among 3,000+ national participants in **EY CAFTA Case Championship 2021**, under the Risk Management category

St. Patrick's Junior College, Agra **May 2018 – May 2020**
ISC: 91.25% | ICSE: 94.60%

WORK EXPERIENCE

Insitor Partners **Apr 2025 – July 2026**
Senior Analyst | Founder-facing operator across a VC portfolio spanning credit & lending (NBFC), HR SaaS, Healthcare, Education

- Acted as an **extension of the founding teams** across portfolio companies, owning open-ended problems end to end – from analysis and planning to operational execution – working **cross-functionally** with **growth, product,** and **data teams**
- Sized **consumer demand** for behavioural therapy provider, across metro, Tier-1 and Tier-2 cities, mapping how purchasing power and price points shift down the city-tier curve to guide **pricing** and **market prioritisation**
- Built the **market-entry strategy** for an NBFC entering secured lending (LAP), sizing a market that grew from INR 6.8 Tn to INR 14.4 Tn and benchmarking the top **5** lenders on yields, cost of funds and operating models to define the entry approach and unit economics
- Assessed two **growth avenues** for an education platform (global healthcare mobility and CSR expansion), sizing a USD 62.8 Bn market and mapping **6** competitors on business model, pricing and geography to prioritise the opportunity
- Ran **competitive intelligence** across HR SaaS and lending - benchmarking **8+** players on product, positioning and monetisation - and tracked public-market comparables and multiples to inform portfolio strategy
- Built **project plans** and **dashboards** tracking success metrics, milestones, and performance across 12+ companies, flagging risks early and automating reporting with **AI workflows**, cutting turnaround by 80%
- **Supported fundraising** for a new fund: co-built the thesis and pitch materials and pitched to the anchor investor to secure **USD 5 Mn**

TresVista **Dec 2023 – Mar 2025**
Analyst, Research and Investment Services | Private Credit and Investment Research

- Delivered **industry landscaping, secondary research** and **Excel-based financial models** for a **USD 10 Bn** AUM fund, translating analysis into structured, insight-led client deliverables
- Built and maintained business and valuation models, isolating the key drivers behind quarter-over-quarter movement across the portfolio

T&A Consulting **Jul 2023 – Nov 2023**
Research Analyst

- One of three appointed representatives of the **New Jersey Economic Development Authority** for India Inbound-Investment Attraction
- Screened 150+ companies for **market-entry fit** and built partnerships with 15+ industry associations; supported two investor roadshows

INTERNSHIP EXPERIENCE

Investment Intern, GSF **Aug 2022 – Jun 2023**

- Conducted market-attractiveness research and financial analysis across 200+ startups in **ConsumerTech, FinTech, SaaS, AgriTech** and **EdTech**, shortlisting companies for pre-seed/seed investments of up to USD 300K
- Scaled GSF Academy to a 150+ cohort and built a 1,000+ angel investor database, coordinating outreach across multiple stakeholder groups

Business Consulting Intern, EY **Jan 2022 – Mar 2022**

- Ran **competitive benchmarking** and **secondary research** across **16+** global banks and **120+** services, building a five-vertical framework (operations, structure, product, pricing, regulation) to inform client pricing strategy

CONSULTING PROJECTS AND LEADERSHIP

Consulting Director, 180 Degrees Consulting, JMC **Jun 2022 – May 2023**

- Led and **trained 60+ consultants** across 20+ client engagements; owned scoping, research design, quality control, and knowledge management, embedding a repeatable delivery approach across the team
    - **Market Entry, PAWS Atlanta (US)** — team of 8; identified and screened candidate sites across Atlanta, quantified launch cost, and ran feasibility and profitability analysis to build the go-to-market strategy (client score 10/10)
    - **HR Advisory, Project Potential** — team of 7; benchmarked HR policy, procedure, and service rules against closest comparables to build a compliance-tested HR manual and assessed the client's positioning against established HR standards (client score 9/10)

Treasurer, Department of Economics, JMC **Jun 2022 – May 2023**

- Raised INR 60K+ in cash and in-kind sponsorship for the annual flagship event; only student elected to the council twice from a batch of 50+
